

HS4182-64 – HS4182 Series – Large Bore Hoses

SKU: HS4182-64

Description

- Use with Hydrasearch HS1546 Series Fittings. Material: Synthetic rubber tube and cover reinforced with synthetic fiber. Application: Oil, fuel, fresh and salt water systems. Operating Temperature Range: -40°F to +200°F
- Equal to: Equal to Aeroquip P/N FC132
- Mil Number: MIL-DTL-24136/4
