

HOS-ER512-5 – ER512 Series – Large Bore Hoses

SKU: HOS-ER512-5

Description

- Use with Hydrasearch ER512 Series Fittings. Materials: Synthetic rubber tube and cover reinforced with synthetic fiber. Application: Oil, fuel, fresh and salt water systems. Operating Temperature Range: -40°F to +200°F
- Equal to: Equal to Aeroquip P/N 2580
- Mil Number: MIL-DTL-24136/1
